The night begins at 5:15 when the Heartland Choo Choo Train begins giving rides. (Rides are 50 cents each. The train runs until 7:15 p.m.)

Great arts-related activities for the whole family begin at 5:30 and feature performances by Chase Dancers, face painting, storytelling, puppets, clowns, hair decorating and much, much, more. There is no additional charge for these activities. When you buy your tickets for the performance you automatically are able to participate in the activities.

The Concert Café opens at 5:30 with child-friendly food.

The Concert Store features wonderful souvenirs that will help you remember your concert experience.

The Concert itself begins at 7:30 and features music from the Plymouth Brass and a live performance of actors, mime, puppets

and masks directed by Bob Hall and Company. Some of our very own Kindergarten Discovery Days students will even take part in the performance as they represent the broom army and the flood.

If you haven't already gotten your tickets, we urge you to do so. It will be a wonderful family event, so invite relatives and friends and come enjoy!
