# Welcome to a New Year!

First-Plymouth Early Education Programs

August 29, 2005

Dimensions Research Classrooms

---

Welcome to the start of the 2005-2006 school year! We are looking forward to many exciting adventures together this year. We are so glad your child(ren) will be with us.

We will be sending home a newsletter every two or three weeks, so please watch for this in your child's cubby. For now, we want to thank everyone for attending our Parent Meetings, and for making connections with teachers and helping our year get off to a good start.

Please know that we want to work as a team with families. We value your ideas and suggestions, and we greatly appreciate all your support. We know that if we all work together we can provide the very best early education experience for all the children we care about so much. Please feel free to talk with teachers at any time if you have questions or if you'd like to pass along an idea.

We really appreciate it when parents pay tuition by the first day of each month. It helps us be able to pay our bills on time! Payment envelopes will be on your child's cubby, and there is a black payment box in the hall where you may return your payment.

We like to provide fun social events for families throughout the year...and our first one – a fun Pancake Breakfast and Garage Sale — has been scheduled for October 1. We hope you mark your calendar now and plan to attend if you are able. Our Garage Sale gives us all a chance to donate items we no longer need and pick up “new” items that we might like. (Start saving those outgrown clothes or toys or other items that might need a good home in our Garage Sale!) Watch for more information soon. We'll also be having a chance to experience our new greenhouse that morning, so it should be a very fun event!

Children and teachers will all be getting to know each other better this first week and helping to establish a comfortable daily routine. In the next newsletter we'll be filling you in on some of the activities we have planned for upcoming weeks. For now, we want to again welcome everyone and celebrate the wonderful beginning of a new year!!
